Notes:

⁽¹⁾ The values of natural change adopted in the resident population estimates and in the derived indicators come from the values of live births and deaths, which are based on the information reported by the Civil Registry Offices, available at the time of the estimates, and referring to occurrences of the last year.

⁽²⁾ Data based on information registered at the Civil Registry Offices until March 2026.

⁽³⁾ Law No. 9 / 2010, from May 31st, legalized civil marriage between same-sex individuals. Figures include same-sex civil marriages, dissolved marriages by death and divorces.
